Education

Degree/Certificate	Institute/Board	Score	Year
B.Tech. (CSE)	Motilal Nehru National Institute of Technology	7.11 CGPA	2025
Senior Secondary	Sunbeam English School / CBSE Board	90.2%	2020
Secondary	Holy Cross School / ICSE Board	86.8%	2018

Experience

- **Oracle** *June 2024 – July 2024*
  Software Development Engineering Intern
  – Worked on the enhancement of Oracle Fusion Middleware (FMW) functionalities, focusing on optimizing system processes and efficiency.
  – Engineered a robust Java application designed to mirror critical functionalities previously managed by OEM partners, significantly reducing reliance on external B2B integrations and enhancing internal capabilities.
- **TLE Eliminators** *December 2023 – February 2024*
  Video Editorialist
  – Produced 20+ instructional videos, each with an average watch time of 20 minutes, to explain solutions to DPPs (Daily Practice Problems) for TLE students, incorporating the necessary concepts for solving the problems.

Projects

- **CodeHub** *December 2024*
  HTML, CSS, JavaScript / React / MongoDB / NodeJS/ ExpressJS / Netlify / Github / TailwindCSS / Github
  – Led a team of 10 individuals to design and deploy the official website for the Computer Coding Club, MNNIT.
  – Created profile page using CodeForces API to fetch user data and displays its contents using 7+ graphical representations.
  – Implemented several other back-end and UI functionalities.

  GitHub Repository | **Live Website**
- **Dizkuz** *April 2023*
  HTML, CSS, JavaScript / React, React-BootStrap / MongoDB / NodeJS, ExpressJS / Netlify / Github
  – Designed and developed an interactive website for the organization, empowering participants to engage in dynamic, real-time learning and collaborative knowledge sharing across a diverse range of topics.
  – Engineered and deployed a real-time polling-based chat system, facilitating user interaction and collaborative problem-solving
  – Implemented several APIs for data transimssion and management using CRUD.

  GitHub Repository | **Live Website**
- **Renaissance** *February 2023*
  HTML, CSS, JavaScript / React / MongoDB / NodeJS / ExpressJS / Netlify / Github / TailwindCSS / Github
  – Led a team of 19 to design, develop, and deploy the official website for MNNIT Entrepreneurship Cell's annual event, Renaissance 2023.
  – Designed and integrated an interactive sponsors' section, optimized for responsiveness and seamless user engagement with minimal external library support.
  – Optimized user interaction by providing a smooth, single-click solution to navigate back to the top of extensive content, improving overall site accessibility.

  GitHub Repository

Technical Skills

- **Programming/Query/Markup Languages:** C++, Java, JavaScript, Python, MySQL, MongoDB, HTML-5
- **Tools, Libraries and Frameworks:** ReactJS, ExpressJs, NodeJs, Pandas, Numpy, Vim
- **Course works:** Data Structure and Algorithm,Database Management Systems, Operating Systems, Computer Networks

Positions of Responsibility

- **Representative/Coordinator** at Computer Coding Club *Present*
  – Organized 10+ college and inter-college level coding competitions promoting programming excellence among students.
  – Taught fundamental programming concepts and algorithms to college juniors in 50+ classes of 800+ students, enhancing their technical skills and problem-solving abilities through structured lessons and hands-on practice.
  – Cultivated strong inter-college relationships and contributed to the growth of the coding community through networking and collaborative initiatives.
  – Crafted several problems for college/Inter-college contests. A set of problems made by me is available on this **Codeforces gym**.

Achievements

- **ICPC Regionalist**: All India Rank 66 in ICPC Amritapuri regionals. *2023*
- **Contributed to CodeChef Starters 108** by designing the problem 'Clan Expansion'(**Link**), which received 6,780+ submissions. *2023*
- **College Rank 1** in college's Annual Competitive Programming Competition Insomnia. *2022*
- **All India Rank 497** in Google HashCode *2022*
- **All India Rank 281** in Google Kick-Start Round B *2022*
- **All India Rank 3500** in Jee Mains. *2021*
- **fastest problem solver** for the initial problem in every OPC(Open Programming Challenge) participated in.

Coding Profiles

- **Candidate Master on CodeForces: Maximum Rating: 1911** **Aditya.Rai**
- **5-Stars on CodeChef: Maximum Rating: 2036** **aditya_rai0705**
